THE WEEKLY LAW REPORTS HAVE EXPANDED

Since they entered circulation in 1953, The Weekly Law Reports have provided the most up to date and comprehensive generalist coverage of law-changing judgments in England and Wales.

To address the increasing demand over recent years for wider and deeper coverage of case law, we have significantly expanded The Weekly Law Reports.

As a user of The Weekly Law Reports, you will be familiar with the existing three volumes. Volume 1 covers points of law of general interest and procedural matters. Volumes 2 and 3 contain cases of greater significance which will subsequently appear (with the addition of a note of argument) in The Law Reports.

Volume 4 of The Weekly Law Reports provides extended coverage of cases which we do not have room to report in the print edition but are nevertheless instructive and useful to practitioners and students alike. You can find them, along with those reported in Volumes 1 to 3, on ICLR Online.
